| Project Name  | Life Style Change Due To Covid Prediction |
| Maximum Marks | 3 Marks                                   |

#### Define Problem Statements (Customer Problem Statement Template):

"In anticipation of future COVID-19 outbreaks or variants, individuals and communities face the challenge of adapting their lifestyles to mitigate health risks while maintaining socio-economic stability. This necessitates understanding and implementing sustainable changes in daily routines, work environments, social interactions, and healthcare practices to ensure resilience and well-being in the face of ongoing pandemic uncertainties."

This statement outlines the need to anticipate and prepare for future COVID-19 challenges, emphasizing the adjustments required across various aspects of life to foster resilience and health amidst unpredictable circumstances.

| Problem Statement (PS) | I am (Customer)      | I'm trying to  | But   | Because   | Which makes me feel   |
|------------------------|----------------------|--|---|---|---|
| PS-1                   | Individual or Family | Adjust my lifestyle to prepare for potential COVID-19 outbreaks. | Have limited resources for remote work setup and education. | Need to maintain income and education continuity while minimizing health risks. | Anxious yet determined to adapt and protect my family's health and stability. |
